

Rubio Monocoat All Natural Wood Cleaner Spray

Preserve the natural beauty of wood

Rubio Monocoat All Natural Wood Cleaner Spray is a ready-to-use, safe, durable and user-friendly cleaner for all oiled surfaces. The microbiological properties of the product and the active microorganisms ensure that the All Natural Wood Cleaner is self-cleaning and has a long-term after-effect. This means that there is less new soiling, which is also easy to remove during the next cleaning. The product cleans the surface without building up a layer and ensures that the matte, natural look of the wood is preserved.

PRODUCT INFORMATION

› Specific characteristics

- Non-film forming and leaves no soap residues
- Long-term after-cleaning thanks to the active microorganisms
- Can reduce the cleaning frequency if used correctly and regularly
- Dissolves the most stubborn everyday soiling
- Preserves the matte and natural look of the wood
- pH-neutral
- 0% VOC

› Technical characteristics

- Physical state at 20 °C: liquid
- Odour: available in 3 different scents

- pH: 7
- VOC content: 0 g/L

› Storage

The product can be stored for up to 24 months. Store in dry conditions and in the original unopened packaging. Keep away from frost.

APPLICATION INFORMATION

› Instructions for use

STEP 1. Make the surface dust-free.

STEP 2. Spray Rubio Monocoat All Natural Wood Cleaner - Spray onto the surface.

STEP 3. Rub dry with a mop or microfiber cloth.

STEP 4. Allow to dry. Rinsing with clean water is not necessary.

> Tips & Tricks

- Many stains can be removed with the Rubio Monocoat All Natural Wood Cleaner or the Rubio Monocoat Universal Soap. If the stains still do not disappear with the ordinary soap, then the specific stain removers of Rubio Monocoat can be of help (e.g. for stubborn lime stains, grease stains, black/tannic acid stains).
- Do not use the product if the wooden surface has been pre-treated with reactive products.
